Xionetic Technologies Congratulates Corinne Harris

Xionetic Technologies, Inc. welcomes Corinne Harris. Harris will be graduating this May, after which she will join the team full-time in the sales arena. In this role, she will focus on expanding the company's growing client base for the "store locator" solution. Additionally, she will assist with the company's increasing marketing efforts. Harris was born and raised in Bozeman and leaves Montana State University with degrees in Marketing and Sociology.
