### **Xionetic Technologies Promotes Sheri Brown**

Xionetic Technologies, Inc. is excited to announce the promotion of Sheri Brown from Chief Financial Officer to President. Her new role will focus on the company's vision, planning, and strategic growth in the coming years. Brown has had a strong history with Xionetic since joining the company in March 2005. She brings extensive expertise to her new position including prior experience with publicly traded Stillwater Mining Company. She is a CPA, having worked for public accounting firms Deloitte & Touche and KPMG Peat Marwick. Brown is a fourth generation Montanan and MSU alumni.
